Notes:

- All prices have been checked on the internet and from local suppliers on 01/02/20 and are correct at time of publication. The cheapest price has been included in the table.
- Machines listed have been viewed at local dealers as detailed
- All machines are classed as commercial / professional grade and are hence suitable for the Parish Council duties
- The Blade Brake enables the blade to stop and the engine to keep running. This enables the machine to be driven without the blade turning between jobs or the grass emptied without turning the engine off
- All machines have engines from established engine manufacturers and service parts are readily available.
- All machines are self propelled
